Mr. Joe Kelly
Division of Homeland Security & Emergency Management
Minnesota Department of Public Safety
445 Minnesota Street, Suite #223
St. Paul, Minnesota 55101

Dear Director Kelly:

Based upon supporting documents provided to me by the Department of Public Safety-Division of Homeland Security and Emergency Management, I have determined that damage in certain areas of Renville County and Wabasha County, resulting from heavy rainfall and flooding during the period of August 10-11, 2016, is of sufficient severity and magnitude to warrant the use of the State Public Disaster Assistance fund, as described under Minn. Stat. §12B.

In order to provide state public disaster assistance, I hereby designate you as my authorized representative so that you may:

- allocate such amounts as you find necessary for state disaster assistance from funds available for these purposes;
- provide public assistance in the designated area; and
- provide additional assistance if requested by a local government; and warranted by the results of further damage assessments, to the extent allowable under Minn. Stat. §12B.

Sincerely,

A handwritten signature in black ink that reads "Mark Dayton".

Mark Dayton
Governor
